

Meeting Registration & Networking Selection Form - Virtual Event - December 7-8-9, 2021

REMINDER - DAYLIGHT SAVINGS TIME ENDS SUNDAY, NOVEMBER 7, 2021

Dear iCERT Members, Speakers, and Guests:

WELCOME! Please use this form for easy registration for our December Virtual Members Meeting. We'll publish times / meeting content as we get closer to our event - see website link, below, to use for updates.

This form is also the registration for our optional "1-to-1" Networking. iCERT Members elect to meet for private introductory :15min sessions with other iCERT Members to discuss potential opportunities and other topics. Microsoft TEAMS will be our virtual platform. For those electing "1-to-1" Networking, please select two (2) choices from the list, below.

Before the event, you'll receive a Calendar Invite with TEAMS login instructions, and other information [1-to-1 Networking participants will receive additional information]. Our agenda is constantly evolving and being updated - check at <https://www.theindustrycouncil.org/post/icert-in-person-annual-meeting-aws-seattle>

Reminder - all group (not private) sessions will be recorded.

Thanks for your participation and support. Questions?
