Ms. Marlene H. Dortch, *Secretary*
Federal Communications Commission
445 12th Street SW
Washington, D.C. 20554

EX PARTE

PS Docket 07-114: *Wireless E911 Location Accuracy Requirements*
PS Docket 13-42: *Reallocation of 470-512 MHz (T-Band) Spectrum*
PS Docket 20-291: *911 Fee Diversion*

Dear Ms. Dortch:

On Thursday, December 17, 2019, representatives of the Industry Council for Emergency Response Technologies (iCERt) made a permitted *ex parte* presentation via video conference with respect to the above-noted dockets. iCERt's members attending are listed below, as are the names of those who attended the presentation on behalf of the Federal Communication Commission's Public Safety and Homeland Security Bureau (Bureau or PSHSB).

iCERt members provided the Bureau with an overview of iCERt's latest organizational structure and membership, our policy and technology efforts on various public safety topics, and web links to copies of some relevant previously filed pleadings and publications. The details of this discussion are contained in the attached PowerPoint as provided to participants.

Should there be any questions, please contact me.

Respectfully submitted,

Kim Robert Scovill /s/

Kim Robert Scovill, Executive Director
The Industry Council for Emergency Response Technologies, Inc.
